## **DETAILED ACTION**

### **EXAMINER'S AMENDMENT**

An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it **MUST** be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Rose Keagy on 11/3/04.

The application has been amended as follows:

**Change the status identifier of claims 1-11 from Withdrawn to Cancelled.**

### ***Allowable Subject Matter***

Claims 12-21 are allowed.

The following is an examiner's statement of reasons for allowance:

There is no teaching or suggestion in the art of record disclosing a semiconductor device having all of the limitations of claim 12 in combination with a base contact region proximate an outer edge of the polysilicon definition structure. Therefore, independent claim 12 is deemed allowable along with its dependent claims 13-21.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
